Great app, but... by Anubis\_In\_Da\_Club on 2021/11/27 15:02 I love this game, but I hated the fact that you had to wait a while until you could start another game. It was very frustrating. Overall, it is amazing! It's my favorite game because it's not like every other puzzle word app there is out there.",

Fun but.. by The redhead cat on 2021/11/24 00:04 I love this game but the only thing is that ads keep popping up when you're just trying to play. I have a iPad so it's not a small screen and I know it's not my WiFi because all other games don't have that problem. It keeps happening when I'm in the middle of playing, which makes me lose and I just hate that part about it.",

I'm almost broke by Don't get this game on 2021/03/25 18:10 You need to earn coins from spinning the wheel and games but it takes up all of your energy and then gives you 1 coin per fish. So you have to buy more energy with the coins you've already earned just so you can earn more coins. How many levels are there? Who knows because it gives you no way of knowing besides having to look at every level on your own. I've played this game for a few months now and I'm already broke. I've had to start putting coins inside my code so the game will pay out at the end of the month/week because otherwise you won't make it. How do I know? Because after I put in my code, the game pays me what it owes me but then takes money from me when it's trying to be nice and give me a level up bonus or an extra spin or whatever. If you want to spend money then don't play this game because there is no other way to get money easily without spending your own rubies/coins on extra energy. I also don't know how people are buying the "Chat with friends" thing. I have never gotten it to work and I have several friends who also play. So it makes you spend money just to talk to your friends even though you can't even talk to them for free using the in-game chat.",

The rules are simple: 1) Start or join an existing chain with two coins in it (a small number). 2) When you have a chance to flip, flip your coin to make it land heads or tails. 3) If you flip your coin and it lands on heads, your chain will add one more coin. If you flip your coin and it lands on tails, your chain will end with a space in between. 4) Keep flipping until the chain is empty or done!",

Best game ever!!! by Vampiregirl202167 on 2021/03/08 07:48 This game is amazing and super fun! It's very addicting when you're bored. The only problem is that when you're playing the coin challenge you can't move to the next level until you complete a certain amount of puzzles, which means that when you complete it, you can't play it anymore. Other than that it's a great game :)",

In May 2021 Moon Active announced that they had signed an agreement with Disney to expand upon Coin Master through multiple video game projects including a new mobile title, which was announced to be released as "Coin Master 2: Disney's Wreck It Ralph". The agreement gives Moon Active access to Marvel and Disney movies, characters, and intellectual property. The developer of Coin Master cited the success they had developing "Coin Master 3: Wreck It Ralph" in getting this new partnership with Disney.",

Good game by Kiyaa on 2021/11/14 17:12 This game is fun and addictive and perfect for passing time but there are some glitches with the game. First off, when an item

goes out of stock, you can spend hours or days trying to get back into the item. Secondly, the cheating needs to be fixed. You can see when someone has low health and attack them. They have the option to block you, but they can still win. There is nothing you can do about it. Third, the spells and potions aren't really useful. The spell usually only goes through to your opponent one time so that's pointless. The potions are also very expensive and don't really do much of anything for you. Lastly, I would like it if there were some way to get more coins because when there are special items that cost 2021 or more coins I have to spend an entire day saving up for them. It really gets old once you get more coins than everyone else.",

Good game but... by 1-2-3! on 2021/12/22 00:18 I really like this game. It allows you to come back to it later with a new board of squares that have a set pattern. In this case, all the white squares are filled in and you have to find all the words that fit in the pattern. It's really fun, although sometimes confusing as you try and decipher what is or is not a word. The only complaint I would have is there are SO many ads. They are annoying and it takes away from the flow of the game. They are also very small.",
